

#IMTANY17 was one for the books.
Our week with Contestants, Directors and Industry Professionals was spectacular.

We fit a record number of Competitions, Educational Information Sessions and Special Awards events into five amazing days and cannot wait to do it all over again in Los Angeles this coming January!

INFORMATION SESSIONS & COMPETITIONS

IMTA has **Industry Professionals** from all around the world attend our event. They judge our competitions, conduct interviews and scout for their next big star.

Many of these **Industry Professionals** present information and prepare to compete sessions full of unsurpassable knowledge and the best advice on how to succeed in this industry. There are even information sessions for parents - educating them on the business of this industry.

One of our favorite acting competitions is Screen Test/Theatrical Headshot. Each contestant is given a card with five different screen test lines. The contestants choose which line they feel they can relate to and give a good performance.

Judging is based on stage personality and on-camera

appeal. Judges can tell in an instant if an actor has what they are looking for!

TEAM FASHION

Team Fashion was unbelievable! Congratulations to Figures South Africa who took home the win this year. Each training center and agency that competed did such an amazing job. The costumes, makeup and team coordination was phenomenal! Team has become one of the most anticipated competitions IMTA has to offer.

Along with these two popular competitions, contestants also compete in Swimwear, Fashion Print/Runway, Jeans, Makeup, Commercial Print, TV Commercials, On-Camera Host, Improvisation, Monologue, Kids' Spot, Cold Read, Singing, Dancing and Songwriting. Here is a look...

TALENT PERFORMANCE FINALS

Finalists from the Singing and Dancing preliminaries and from the Songwriting competition perform live in an open competition for the Judges.

OVERVIEW/DESIGNER FASHION SHOW

The night opened with thanking all our amazing industry professionals for attending IMTA NY17.

Then the Designer Fashion Show, produced by Karen Lee, Susan Liebesman and Jimmy Shugrue, started, where every single model walking in the fashion show was a current contestant!

It included Singers and Dancers too! Our first fashion designer was Four Girls, following Four Girls was top fashionista herself, Nicole Miller and in the finale, Qi Gang, one of the top Chinese Fashion Designers in China.

After the conclusion of the Fashion Show it was time for EVERY Contestant to walk down the runway in front of over 350 industry professionals.

What's better than a DJ, Live Music and lots of Awards? Not Much! At our Dance Party, it's all about having a good time. IMTA Alumni Riley Green, Kyra Green and Tori Green of 212 Green from Social New York took the stage to kick off the night performing TWO of their brand-new singles.

After their mini concert, we handed out the individual competition awards of the convention. There were so many talented people on that stage who worked so hard to get to this point! Once the awards were done the REAL party started...EVERYONE DANCED.

CALLBACKS

Callbacks were a major success as agents, managers, casting directors and Industry VIP's came in force to find models, actors, singers, songwriters, and dancers to represent.

RED CARPET/ AWARDS NIGHT

Lights Camera Action! Each Training Center and Agency walked the Red Carpet showing off their dazzling personalities and beautiful

attire. Once through the Red Carpet our Gala evening begins with a few special recognitions and the Overall awards for Models and Talent are presented by IMTA Alumni.

The last night of the convention is always bittersweet; all who attended leave with experience, new friendships, confidence and an unwavering passion for their craft. Now it is on to LA '18!
