FASHION SHOW

How does being a part of a professionally choreographed Fashion Show at #IMTANY18 sound? This is one of the most exciting events IMTA has to offer. The Fashion Show will kick off the Agent Introduction and Overview on Tuesday night. If you're ready to walk the runway in beautiful garments in front of Industry Professionals, then don't forget to audition Sunday evening. The Casting Team is looking for a diverse group of #IMTANY18 Contestants (kids through adults) with great walks and a strong stage presence. Don't hold back, be yourself, and have fun!

Are you a singer or dancer?

Our judges are also looking to include a performance or two throughout the show. This year we have four amazing designers from all around the world showcasing their very own collections.

Check your schedule books to find the exact location and time for your age group to attend the casting.

Advice from IMTA

First and foremost **be extraordinary**

Show up to every competition with confidence and poise. Stay focused on what you came here to do and don't deter from the journey that you are on. You are all here for the same reason and that is to show off your amazing talents.

IMTA is truly

THE EXPERIENCE OF LIFETIME

so be sure to take full advantage of your own experience while you are in New York.

At the convention you will be surrounded by industry pro's all week long. Whether you are lining up for a competition, on the elevator back to your room, or just roaming the hotel keep in mind to always

be professional

Smile, make friendly conversations and be kind.

Document your time in New York and at IMTA. That way you can look back on your amazing memories in the Big Apple!

Trust us you will want to look back on this week and remember how much fun you had and all the great people you met!

Be sure to tag your photos and videos throughout the week with the official IMTA hashtag

#IMTANY18

Make FRIENDS!

you are going to meet so many new people from all over the world while you are at IMTA. And some of them will turn into lifelong friends. You will be lined up with many of the same people so be friendly and if you need help rehearsing your lines just ask!

You are going to be having the time of your life at IMTA, but it is very important to know your surroundings and to

be safe.

For many of you this is your first time to New York. When you are roaming this beautiful city be sure to bring a friend along for your explorations and let people know where you are.

In The Spotlight

Easton Roseberry

From contestants, to agents, managers and IMTA Staff members. He thanks his mother agent Creation Model and Talent and IMTA for providing him the opportunity to meet Garry and Mike from Momentum Talent and Literacy and Fernando from Zero Gravity Management.
