*“It’s very reminiscent of those older movies and of the disaster movies I loved as a kid...so it becomes classic entertainment.” – Julianne Moore*

So you’re on a plane 40,000 feet in the air, trying to relax during a long flight from New York to London. Everything seems fine until you receive a cryptic text message demanding a massive ransom in exchange for the safety of everyone on your flight. As if airline travel wasn’t unpleasant enough these days, until the ransom is received, a passenger will be killed every 20 minutes. What do you do? This is the terrifying question facing the flight’s air marshal as he decides who on the plane he can trust...and who is dangerous.

Along for the ride on this terrifying flight is IMTA alum Quinn McColgan (NY09). McColgan is in a featured supporting role as a passenger named Becca. The film stars Liam Neeson, Julianne Moore, Lupita Nyong’o, Michele Dockery, Nate Parker and Scoot McNairy.

McColgan was most recently seen in the critically-acclaimed, award-winning HBO mini-series *“Mildred Pierce,”* starring alongside Kate Winslet, Guy Pearce and Evan Rachel Wood. She also appeared on the TV series *“Unforgettable”* and Nickelodeon’s *“Team Umi-Zoomi,”* the TV movie *Dark Horse*, plus numerous TV commercials that include Macy’s, Pillsbury Toaster Strudel, Ortega Tacos, Tyson Chicken Nuggets and Kodak. Her commercial print work has been featured in *Vogue Bambini* and in ads and catalogs for Kohl’s, Laura Ashley Footwear, *Women’s World*, *Parents’ Magazine*, the Metropolitan Museum of Art and Neiman Marcus.

McColgan, who came to IMTA with Barbizon-Chique, is currently in Budapest, Hungary filming the post-apocalyptic horror movie *Welcome to Harmony*, in which she stars with Matthew Fox and Jeffrey Donovan. Nine years after an infection turns most of humanity into rabid creatures, two men and a nine-year-old girl survive in seeming peace and calm in the forgotten snow-covered town of Harmony. There is a sense that something terrible happened between the two men because a deep hate keeps them apart. When the creatures appear again, the two will have to leave behind all bitterness to protect the one being who means more to them than anything else. The film also stars Ahna O’Reilly and Clara Lago. No release date has been announced.
